## News Release

### Police Donate To Lethbridge Pediatrics Unit

The Lethbridge Police Association (LPA) has made a small donation to the Lethbridge Hospital Foundation towards equipment and services for the Pediatric Unit. The donation is on behalf of the Provincial Police Association (AFPA) which represents municipal police officers across the Province.

The \$2500 Cash Donation is intended to assist the hard working women and men of the CHR deliver much needed medical assistance to children within the Region. "We have always been very appreciative of the health professionals of Lethbridge, this is a small way of assisting them in their important work that they do for our children every day, says Tom Kramer President of the LPA."

The AFPA makes donations on behalf of municipal police associations throughout the year. Last Week the Medicine Hat Police Association also made a \$2500 donation to the Medicine Hat and District Health Foundation.
